### Supplemental Directive 09-10 Implements Temporary Review Period for Active HAMP Trial Modifications

Today, December 23, 2009, [Supplemental Directive 09-10: Home Affordable Modification Program \(HAMP\) – Temporary Review Period for Active Trial Modifications Scheduled to Expire on or before January 31, 2010](#) was issued on HMPadmin.com.

Supplemental Directive 09-10 establishes a temporary review period for all active HAMP trial modifications scheduled to expire on or before January 31, 2010, during which servicers must confirm the status of borrowers and, if necessary, notify borrowers of any payment or documentation deficiencies that could jeopardize the borrower's eligibility for a permanent HAMP modification.

In addition, servicers may not cancel an active HAMP trial modification during this period for any reason other than failure to meet the HAMP property eligibility requirements.

Please review the one-page Supplemental Directive 09-10 for more details.
